Sir:

This is in response to Notice of Informal or Non-Responsive Amendment allegedly mailed 01-22-2007. The Notice of Informal or Non-Responsive Amendment is listed in the PAIR Transaction History. However, Applicant has not received a copy of the Notice and the USPTO Image File Wrapper does not show the Notice. Despite repeated requests by the undersigned the USPTO has not sent the undersigned a copy of the Notice or resent it to Applicant.

The Office action to which the Amendment was responding was non-final. Thus, Applicant assumes the Notice of Informal or Non-Responsive Amendment sets an extendible one month deadline (MPEP 714).

Thus Applicant hereby Petitions for a two months extension of time and authorizes the Petition Fee and any other fee needed to process this response be charged to Deposit Account No 19-4375.

A copy of a Power to Inspect naming the undersigned is concurrently filed herewith.

For reasons listed in the REMARKS it is believed the alleged Notice only objected to the Listing of Claims in the RESPONSE of December 28, 2006.
